### **The Raffle Draw**

No more entries will be allowed into the draw after 17.00 pm on Wednesday 31<sup>st</sup> March 2021. At 09.00 am on Thursday 1<sup>st</sup> April the valid entries will be loaded into <https://wheelofnames.com/> and the draw will commence. A video of the draw will be taken for verification purposes and will be available in an unedited format upon request from the local authority or any draw entrant.

The first five names drawn have an allocated prize as shown below:

- Prize 1: Hotel Chocolat Hamper
- Prize 2: Lindt Hamper
- Prize 3: Cadbury Bundle
- Prize 4: Milton-Keynesia Peace Pagoda Decoration
- Prize 5: Milton-Keynesia Campbell Park Sunrise Tote Bag

Other names drawn will be able to pick their prize from the remaining prize pool in order of when their ticket is drawn. For example winner number 6 will choose first, then winner number seven and so on.

The result of the raffle is final, and no correspondence will be entered into. Winners will be notified on the same day and should arrange a date to collect their prizes from Camphill MK Communities. Prizes can be posted upon request at the expense of the winner and the winner can nominate someone else to collect their prize and should notify the charity of this by email from the email address associated with the entry.

A list of winners will be published on our website using their first name only.

Camphill Milton Keynes Communities will make every attempt to contact the winner and will hold prizes for six weeks or until the next raffle opens. If the winner has not made contact by the deadline (six weeks or next raffle, whichever is sooner) then the unclaimed prize can be used in the way the charity sees fit including being used as a prize for a future raffle.

The charity takes no responsibility for the condition of any prizes and complaints or queries should be raised directly with the supplier of the prize.

### **Responsible Gambling**

Any supporter can request to be excluded raffles and other activities that constitute gambling. This exclusion will prevent a supporter from receiving promotional material about gambling activities and will prevent them from entering gambling activities.

If software doesn't allow for the prevention of sales, the entry will be rejected, and entry fee returned as soon as possible.

Exclusions will remain in force until the supporter requests that they are cancelled. If you feel like you have a problem with gambling please visit [www.begambleaware.org](http://www.begambleaware.org).
