WELCOME TO CAMPBILL CAFÉ

MENU

Camphill Milton Keynes

Founded in 1981, Camphill Milton Keynes provides support and a meaningful working life for adults with a wide range of learning difficulties. Over sixty residents live together with in ten separate households. Together with employed staff they form a community of over one hundred people living on several sites within the neighbouring housing estates of Pennyland and Willen Park.

Our aim is to create a safe and stimulating environment, fully integrated into the surrounding community that allows individuals to develop in accordance with their own needs.

The Café is **open Monday to Friday 10am to 4pm**. The food we serve is vegetarian, freshly prepared on the premises and when available we use Camphill grown ingredients. The Café offers a peaceful atmosphere accompanied with good food and a first-class friendly service.

Our artisan Bakery supplies the Café with all its bread using organic flour. They also produce freshly baked cookies, cakes and a selection of breads and sour dough that is on sale in the café for you to purchase. Alongside this, our Garden produce of soft fruit, vegetable herbs and plants are sold for you to take home.

The Café is a Workshop for people with a wide range of abilities providing training in food preparation, food safety and customer care. We very much hope you enjoy coming to the café. You are invited to add your comments or suggestions to the Visitors' Book or speak directly to one of the team.
